

PROPOSALS SUBMITTED ON CRIMINAL CODE DRAFT

14.02.2020 19:13

The working group formed by the Chamber of Advocates of the Republic of Armenia for the purpose of reviewing the RA Criminal Procedure Code, the RA Criminal Code Drafts and the possible recommendations and remarks issued by the RA Ministry of Justice. Summarizing the results of the study of the draft of the RA Criminal Code, he presented recommendations, which were sent to the RA Ministry of Justice. Summarizing the results of the study of the draft of the RA Criminal Code, he presented recommendations, which were sent to the RA Ministry of Justice.

The suggestions presented relate to the absence of a number of criminal legal concepts in the draft and the need of defining them, questions concerning the rules for imposing punishment, the statute of limitations, including their calculation, the questions concerning the clarification of transitional provisions as well as a number of other problematic issues in general.

At the same time suggestions related to making changes and additions to a group of special part settings, including ease of lawyers and unimpeded functioning of the defining part of the guarantees provided.

The working group is also going to present its recommendations and comments on the draft of Criminal Procedure Code.
