

A TWO MONTH STUDY COURSE IN THE SCHOOL OF ADVOCATES OF PARIS

21.06.2016 12:40

Dear advocates,

In the frames of cooperation between the Chamber of Advocates of the Republic of Armenia and the Union of advocates of Paris this year 1 or 2 more advocates from Armenia will have the chance to participate in two month study course in Paris, the elective phase of which has started.

For taking part in the competition can apply advocates that are fluent in French language and aren't older than 40 years old, and whose license of advocate's activity is valid at the moment of applying.

The study course will take place in October-November months of 2016.

The expenses for transportation and living in Paris are to be cared about by the advocate himself. Some financial support and/or lodging supplementation are possible.

To take part in the competition you should send a participation application to info@advocates.am before the 23-rd of June (inclusive), 2016 .

An autobiography (CV) should be attached to the application
