

Today on 20, February a Chess championship was held among advocates in the Chamber of Advocates of RA. Two dozen advocates have submitted applications , who tried their chess skills against each other.

20.02.2016 15:35

The advocates competed within the format 7 minutes+ 2 seconds.

The Championship was different from others because grandmaster, olympic double champion Tigran Petrosyan had a simultaneous game with advocates. During the game 13 from 15 advocates failed and the two of them Arthur Alikhanyan and Suren Petrosyan no one.

The third place was won by Arthur Davtyan. The second place won Ashot Shahmuradyan. The honorable first place won Armen Vardanyan. The Chairman of the Chamber of Advocates of RA Ara Zohrabyan gave them medals and certificate of honors.
